

CHEMISTRY 11 COURSE OUTLINE

GENERAL:

Chemistry 11 is a senior elective course, and therefore, it stands to reason that you are in this course by choice. This is a very demanding course and you must take responsibility for your own performance. EXPECT HOMEWORK EVERY NIGHT! In addition, set aside time for review and study. If you cannot make this commitment, consider if this is a course that you should be taking.

TEXTBOOK: CHEMISTRY 11

APPROPRIATE MATERIALS FOR EACH CLASS:

Textbook, Data Booklet, **scientific** calculator, lined paper, 3-ring binder, pens, pencil, ruler

CHEMISTRY BINDER:

Each student is expected to have a 3-ring binder. It is up to you how you wish to organize your notebook. HINT- there is a strong correlation between an organized notebook and success, here is a suggestion as to how you might divide your binder:

1. CLASS NOTES
2. HOMEWORK
3. QUIZZES

DUOTANG:

Each student must have a duotang. The duotang will be used for lab reports **ONLY** and will be kept in the class at all times. If a student hands in a lab report without the duotang it will **NOT** be marked.

MISSED TESTS:

In fairness to all, students are expected to write their test on the scheduled date and time. If a student is legitimately unable to be present, all efforts must be made to inform the teacher in advance by e-mail or by telephone message to the office. If advance notice is impossible, students must bring a NOTE or e-mail from home explaining the reason for the absence.

All NOTES or e-mails must have a TELEPHONE NUMBER where the signer can be reached and will remain on file with the teacher.

QUIZZES:

We will write a quiz every Friday and surprise quizzes will be given FREQUENTLY. The same procedure applies for quizzes as the tests. All quizzes will be written in PEN, so please make sure you bring a pen to class everyday.

EXTRA HELP:

I will be available for extra help by appointment ONLY please see me to arrange a time that is convenient.

EVALUATION:

You will receive a cumulative TERM MARK based on the following:

Lab/Assignments	40%
Way Back Quizzes	10%
Tests/Quizzes	<u>50%</u>
	100%

Your YEAR END MARK will be calculated as follows:

Term mark	80 %
Final Exam	<u>20 %</u>
	100 %

TIPS FOR SUCCESS IN CHEMISTRY 11

1. Attend every class
2. Complete all homework
3. Write all quizzes
4. Ask for help when needed
5. Bring all the necessary materials to class everyday.
6. Use different coloured pens, pencils etc. to highlight notes
7. Study for and write every test
8. Have a positive attitude
9. Use my website: <http://weissworldorscience.weebly.com>

GOOD LUCK AND LET'S HAVE A FUN AND PRODUCTIVE SEMESTER!
