

March 2024 Student Self-Assessment Interim Report

Student Name: _____

Pupil #: _____

Class: **Science 9**

Teacher Name: **Ms. Weiss**

Work Habits:

See the detailed information on the reverse side:

- Needs Improvement
- Satisfactory
- Good

Learning Progress Self- reflection for the Chemistry Unit:

I can	Emerging	Developing	Proficient	Extending
I can identify and describe the 10 WHMIS Symbols				
I can explain the matter as solid, liquid or gas				
I can explain the difference between a chemical change and a physical change				
I can distinguish between metals, non-metals and metalloids				
I can draw, label and describe the historical atomic models				
I can distinguish between the subatomic particles and their location in the BOHR MODEL				
I know the how to properly use a box in the periodic table				
I can identify the major families in the periodic table				
I know the difference between an atom and an ion				
I can use science skills to hypothesis, measure, collect data, analyze data and make a conclusion				

Student Signature: _____

Parent Signature: _____

The OVERALL LEARNING PROGRESS in Science 9 is currently: _____
please see attached mark printout for a detailed breakdown of this progression.

EMS Science Work Habits		
Good (G)	Satisfactory (S)	Needs Improvement (N)
<p>Achievement</p> <ul style="list-style-type: none"> All of my work is completed and handed in on time. My Learning Progress is either: Proficient or Extending 	<ul style="list-style-type: none"> I have one or two incomplete labs or assignments have been late handing them in. My Learning Progress is Developing 	<ul style="list-style-type: none"> I have several pieces of incomplete work or hand i most of my work late. My Learning Progress is Emerging
<p>Attendance & Lates</p> <ul style="list-style-type: none"> I arrive on time every day. If I have been absent, all of my absences are excused. (My parents contact the school.) If absent, I contact a classmate/teacher and check my "Remind" texts to find out what I missed. I come back to school with the work that I missed all done. 	<ul style="list-style-type: none"> I have been late (unexcused) once or twice. If absent, I catch up from my absences once I return. 	<ul style="list-style-type: none"> I have been late (unexcused) several times. I have unexcused absences If absent, I don't always make an effort to catch up on what I have missed until my teacher reminds me what I'm missing.
<p>Preparation & Organization</p> <ul style="list-style-type: none"> I arrive with all necessary materials every day, ready for Science. My binder is organized. I use my class time effectively & efficiently to improve my abilities in Science. I use my electronic devices only as a tool in class, when permitted. I can work both independently and cooperatively as needed. I am consistently focused and self-disciplined. I am respectful toward all individuals in the class. 	<ul style="list-style-type: none"> I have forgotten my supplies once or twice. I have most things in my binder in order. I am working toward effective and efficient use of class time. I have to be reminded not to use my electronic devices. I am working to improve my independent or cooperative work I have occasionally distracted others or been distracted by others. 	<ul style="list-style-type: none"> I have asked to borrow supplies several times. It often takes me a while to find things in my binder. I am frequently unproductive in class & thus have to take more work home to finish I am easily distracted by my electronic devices & have had it taken from me by the teacher. I do not work well alone or I do not work well with others. I am often distracted and have poor work ethic. I am often reminded to act appropriately.
<p>Classroom Behaviour & Participation</p>		

Work Habit Self-Evaluation

Name: _____ Student #: _____
 Course: _____ Date: _____

Overall, I think my work habit mark should be a _____ because...

Some of the things that I am doing well in class are...

What I need to work on improving is...

If I need help with my work/understanding the material or to catch up on missing work, I need to...
