Use with textbook pages 102-105.

Defence in action

The immune system's response to pathogens is a bit like the plot of an action movie. Describe or draw storyboards for an action movie about the immune system in the space below.

1.	2.	3.
4.	5.	6.

7.	8.	9.
10.	11.	12.

Legend:

- _____ = skin
- _____ = fluids
- _____ = phagocytes
- _____ = fever
- _____ = inflammation⁺
- _____ = helper T cells
- _____ = killer T cells
- _____ = B cells
- _____ = antibodies
- _____ = memory B cells
- _____ = invader
