Science
Safety Map

During our tour of room 217 (a real science lab) you are expected to complete the following (be sure to use a ruler and pencil crayons) assignment:

On the front side of the paper you are to draw a map which shows the exact location of the following items:

- All the class room: sinks, gas valves, and counter spaces
- The fire-escape route
- The fire extinguisher
- The fire blanket
- The first aid kit
- The broken glass container
- The dust pan and broom
- The Emergency Shower / Eye Wash Station
- A legend to with appropriate symbols for each of the above items
- Your name and block

On the back of the map you are to explain when and how to use the following items:

- The fire extinguisher
- The fire blanket
- The first aid kit
- The broken glass container
- The dust pan and broom
- The Emergency Shower / Eye Wash Station
