# Extracting DNA from Strawberries

## A. Read the procedure on p.133.

-->Then complete the procedure summary in the flow chart.

B. Next, **listen** to the pre-lab discussion from your teacher about the effect each of the following has on the strawberry to answer the following:

**Effect on Strawberry**

- *mashing the strawberry*

---

- *soap/detergent*

---

- *salt*

---

- *ethanol*

---

- *cold temperatures*

---

Now, you are ready to begin the lab.
