

SCIENCE 9
Cell Organelles

Name: _____
Blk: _____ Date: _____

You are to read in your textbook pages 122-124 and fill in the table below:

Organelle	Structure (what does it look like? Draw a diagram)	Function (what does it do?)	In Animals, Plants or Both?
Nucleus			
Mitochondria			
Ribosomes			
Endoplasmic Reticulum			
Golgi Body			
Vacuole			
Cell Membrane			
Cell Wall			

Organelle	Structure (what does it look like? Draw a diagram)	Function (what does it do?)	In Animals, Plants or Both?
Chloroplast			
Nucleolus			
Vesicles
